## Club Notes

This was another very busy month and it won't get any easier next month with the Harvest Festival at Underwood Farms. I know it sounds like a broken record but Lion Bill Schulze has been working hard to get our permits and it hasn't been easy. 1st VDG Rich has been doing yeoman's work in scheduling all our shifts and there are still openings so contact Rich if you can spare some time for our second largest fundraiser of the year. The lion at right is a good rendition of both Bill and Rich after their permitting and staffing struggles the past month so beware!

We should refer to September as barbeque month since we did three of them, four if you count the one that Bruce and 3 other Lions did privately for the Historical Societies Don and Donna event. The first was for Terri Lisagor who won the Boys and Girls Club auction for 40 (65 actual) at the unprecedented bid price of \$4700. Take a look at the thank you letter from Lisagor on the next page and you will understand why we do these things. Next came two Camarillo High School Reunions. The first was hamburgers for 50 members of the class of 1970 and the second was a full Santa Maria Style BBQ for 135 members of the class of 1972.

We have a new Don in the club honored by the Pleasant Valley Historical Society and he is our newest member, Dave Tennessen; congratulations Dave.

Vision screening is off and running again. We completed 4 elementary schools and have 24 more to go, with help from Santa Paula at some Oxnard Schools. As you will see our Vision Global Issue lead, Lion Rich started us off with a couple of helpers; Rich is back!! Completed **936** screenings in September.

Lion Lloyd is slowly coming down from his "Colorado High" train trip and provided some terrific photos for your viewing pleasure.

Secretary John came though with our new Lions mug primarily for our speakers but I'm sure that you can purchase one of your own by contacting John.

Our 1st VP Victor scheduled the 3rd annual walk for Diabetes Awareness for 5 Nov; see attached flyer. Victor also attended the Lions Leadership Forum in Calgary and came back raring to go!

*Hope to see you all at Underwoods this month!!!*

# 1 September - B&G Club Donated Barbeque

What a great way to start the month. At last years Boys and Girls Gala Terri Lisagor bid \$4700 for a Santa Maria Style BBQ for 40 from PV Lions. Her husband Mark who was standing right behind us when she bid was astonished because he said that she is a vegetarian. This greatly exceeded our previous all time high of \$2000 with the typical bid being closer to \$1000. The cooking crew of Bruce Jochums, Chet Price, and Kerry Forsythe cooked the dinner at Terri and Mark Lisagor's residence. Originally the event was scheduled for forty people then it dropped to 30 and then got bumped up to 65. Terri was very grateful that we did not increase the price for the extra 25 folks. We were able to provide for the larger number within budget; however, even if we couldn't we would have done it for the original price considering both the huge bid price the fact that the Lisagor's are long time donors to the B&G Club.

The morning after the BBQ Lion Bruce got the following thank you letter from Terri Lisagor. Bruce needed to find a *larger hat to cover his swelled head*; after reading the email. Bruce's reaction was WOW!

On Fri, Sep 2, 2022 at 8:28 AM Lisagor Terri <[terrilisagor@gmail.com](mailto:terrilisagor@gmail.com)> wrote:

*“Good morning, Bruce. Your ears must be ringing with how much everyone is talking about the food! And YOU! Oh, and the food! YUM!!!! SPECTACULAR beyond anyone's imagination!*

*Thank you so very much; thank you from the bottom of our hearts (and tummies). You are truly amazing! Amazing! Amazing! How did you manage to seamlessly sneak in to place the food at the exact right time, the exact right place, the exact perfect temperatures?*

*We're going to put your contact information in our newsletter and on the Club's Facebook page - and spread the word to everyone!*

***Most sincerely, Terri***

*PS. Please tell your wife that you didn't miss a single thing! (I know just what you meant; my husband Mark is usually the events organizer/outdoor set-ups person who was a bit surprised that things went smoothly even though he wasn't there to boss me around! (Oh, I meant “to organize things”)) 😊*

## 10 Sep - Kids Shopping Spree 1/2

Christmas came early for about 40 local kids who were treated to school clothes at Target. PP and current treasurer George Graham with lots of help from Chris has organized this event for many years and it always runs smoothly. In addition to the clothes and shoes, the kids got breakfast donated by the nearby McDonalds.

There were volunteer shopping helpers from Pleasant Valley, Ambers Light, Santa Paula and Conejo Valley. In addition there were a few member's children and grandchildren who came to help and they were all needed to handle the large contingent of kids.

The group above of eager shoppers is shown milling around the front of Target waiting for their “kid-mate” shopper. Then, once they were paired up they got in line to “rush” the door at 8am.

Last month my grandson was in the bulletin with his steer and this month my granddaughter came to help shop. She absolutely loved the experience with her 8 yr. old kid-mate but went over her allotted \$150 by a whopping \$1; however, she did much better than me — pretty darn good for a first timer.

## 10 Sep - Kids Shopping Spree 2/2

I did my best to avoid photos of any kid with a red dot on their shirt so here are a few shots of kids (with parents) backs eager to enter Target. PP Neil McNutt is shown with his no-red-dot “kid-mate”. Neil must love this event because he is a regular.

There are only a couple of photos in the store and they occurred just as it was starting. After that I was too busy keeping up with my 10 yr. old kid-mate shown below.

I had a little space left so what better to fill it with than a shot of Lions Dale, Russ and Mike.

## GREAT TRUTHS ABOUT GROWING OLD

- Growing old is mandatory; growing up is optional.
- Forget the health food. I need all the preservatives I can get.
- When you fall down, you wonder what else you can do while you're down there.
- You're getting old when you get the same sensation from a rocking chair that you once got from a roller coaster.
- It's frustrating when you know all the answers but nobody bothers to ask you the questions.
- Time may be a great healer, but it's a lousy beautician.
- Wisdom comes with age, but sometimes age comes alone.

# 13 Sep - Regular Meeting 1/3

We had a nice surprise visit from 1st Vice District Governor/our own PP Rich who decided to be a Lion Tamer for our first meeting in September; he looked great and is no doubt looking forward to Underwood Farms in a few weeks.

Pres. Mike introduced Lion Bill Schulze and PP George to give rundowns on the 12 days of Fair Parking and the Kids Shopping Spree at Target.

**Fair Parking:** Lion Bill Schulze was eager to provide the follow-up on this event, which grossed \$111,000 and netted \$78,000 for PV Lions alone for 2022. Several other clubs plus the Ventura HS wrestlers also cashed in from this event. We parked about 30,000 cars and had great participation from our club this year. Clearly our charity account is alive and well and ready to support many Lions charities. Out of about \$500K handled by the ticket takers and cashiers we only had one counterfeit \$100 bill — amazing!

Lion Rich asked the four shift supervisors up to the front while he presented Lion Bill with a special bottle of bourbon. Rich was effusive in his praise of Bill's and the club's efforts and commented on the magnitude of this event in comparison to any other event in the district.

**Kids Shopping Spree:** George thanked the many PV Lions who participated in the Shopping Spree. Originally he planned on 48 kids but 40 showed up; nonetheless, it was a very successful event and helped use a little of the cash generated from Fair Parking. Each child under 13 got \$150 and each teenager got \$200 for clothes.

## Question in need of an answer:

Secretary John included a question in his meeting announcement that I was unable to answer so I am hoping someone in the club can solve this puzzle.

*And...why won't the truth finally be told? If it was only a 3-hour cruise, why did Mr. and Mrs. Howell bring all of their luggage? Why?*

## Guest Speaker - Lion Bob Larson

Lion Bob just returned from a trip to Guadalcanal, which was the scene of the first major offensive against the Japanese during WW2 in Aug 1942. Bob was a marine from 1966-1972 who served two tours in Vietnam and who stands in a long line of marines in his family so he was eager to learn more about this key event in Marine history. Bob retired as Ventura County Sheriff after serving 30 years from 1972-2002 and then went on to be an instructor.

Clearly, Bob Larson did his homework and gave us a detailed history of various battles in the Solomon Islands and recounted some of the stories from family members who participated. He noted the tremendous friendliness and Pro-American support from the Solomon Islands people although they are a very poor country. I recommend that you talk to Bob to learn more about this very interesting trip.

**9/11/2001** Lion John Fraser included the image at right in our meeting announcement. It has been 21 years since this devastating event but we should never forget.

Today's thought-provoking thought:  
"Let Us Not Forget."

**Lion Sherri** lost a good friend, Valerie Silver (Val), who worked in the twin towers on 9/11. Valerie was one of 658 workers at Cantor Fitzgerald, an investment banker firm, who perished that day. Nobody at work that day at Cantor Fitzgerald survived. Sherri provided some insight into her friend's character: *although Valerie was a partner at the firm there were some males in the office that didn't value their expertise. On one occasion a male senior partner went to Val and asked her to get the hole in his shoe fixed. She smiled and said yes sir then went to a cobbler and had taps put on the shoes; the partner was not amused and told her again to get the hole fixed. This time she had high heels added to the shoes; the partner definitely was not amused and sent her off again. Finally she had the shoes bronzed; after that the "senior partner became a fan of her moxie and a mentor"*.

**Bulletin:** I recall being in the Pentagon exactly 7 days after this attack for a meeting with an Asst. SECNAV (AF General Ret.) that was originally scheduled at 0930 on 9/11 but fortunately for me anyway it was delayed at the last minute for one week due to a conflict at their office. I was shocked that the new meeting date had not been changed after the attack so I had to make hasty redeye travel arrangements to get to DC. Other than the musty smoke smell nothing seemed different when I walked through the Pentagon. The SECNAV office was in the E ring (outer ring of the Pentagon) and I found it near the spot that the plane hit. The smell of smoke and the plastic screens by his office blocking the damaged area were hard to miss but it was never mentioned by either the Gunny Sgt. or the General who first met me in the hall; it was "business as usual throughout the Pentagon" as if nothing had happened. The resolve of the military was amazing and unforgettable and has kept this memory alive.

## Tail Twisting

Lion Dick started it off with a no-fine request for any stories about Fair Parking. Lion Paul started it off. We missed Paul this year but particularly missed his Italian sausage for the crew, perhaps next year Paul. Lion Bill had a great story about his granddaughter who was taking tickets. One guy took off after refusing to pay but she got a photo of his license plate as he ran off. She gave it to the police and next morning that car had a \$150 ticket on his window. *Don't mess with Ava* is the moral of this story.

Lion Dick had a story of his own. A rather large guy came back after parking and asked Dick why he was messing with him. While Dick was looking around for help the guy left - must have been intimidated by

Dick's school teacher/vice principal stare. There were a few more stories but they were fast and furious so I didn't get them all.

PP Neil McNutt had his 66th wedding anniversary and Lion Sherri was back in the spotlight with some tail twister cash making up for having to back out of Fair Parking to tour Scotland - *seems like money well spent to me*. Lion Jan put some money in the kitty recognizing the \$50K that Lion Mike earned from his charity golf tournament with 99 golfers. That's a huge amount of cash for a one day event.

Finally, this is not a tail twister event but just a recognition for Lion Ceeb's donation of \$1000 to our Admin. account because he was unable to help at Fair Parking.

## Dinner

PP Chet, Bruce and Kerry did something a little different for dinner. They served Chili burgers and chili-dogs and potato and regular salads. We also had our traditional appetizers of chicken wings and sausage but added a large tray of guacamole made on the spot by Bruce, Chet and Bob. The Bulletin had dozens of ripe avocados so what better place to use some but at a lions meeting. It's lucky that any of it got to the bar with Lions Tom and Joe "sampling" the guacamole non stop in the kitchen.

# 15-17 Sep. — 46th USA/.Canada Lions Leadership Forum 1/2

1st VP Victor Martinez attended the 46th USA/Canada Lions Leadership Forum in Calgary and interacted with Lions leadership from all over. Clearly, Victor came back motivated from attending the forum and mentioned at the board meeting that he learned a great deal that he is eager to employ and to share with the club. I expect that we will all learn that Victor's willingness to learn will benefit our club.

In most cases Victor's photos are annotated or self-explanatory so without ado here is his story in photos.

The Forum's mission is "To develop leaders, motivate and educate attendees, provide an open exchange of ideas, and support programs and goals of Lions Clubs International (LCI)."

# 15-17 Sep. — 46th USA/.Canada Lions Leadership Forum 2/2

## 17 Sept — Camarillo HS 1970 Reunion BBQ 1/2

PP Bruce's sister had a class reunion for the 1970 Camarillo H.S. graduating class and she asked Bruce and PV Lions two years ago to do a burger barbecue for 50 for their 50th reunion. Due to Covid-19 it was delayed so they got to celebrate their 52nd reunion. Well, we agreed but Bruce would be unavailable since he was committed to doing a BBQ for 230 for the Don and Donna party held at the community center. Fortunately several lions stepped up to the BBQ to make it happen. They included Lions Joe Flores, Richard Baker and Sheila, Don Mingay, John Fraser, Bulletin Bob, Russ White and Walt Brand. Russ and Walt had to leave a little early to get to the Don/Donna party. Well, it turned out just fine even though the heavyweights were not there and we even made a little money for charity.

Lion John came and occupied a wall seat until he was ready to cook veggie-burgers. Richard and Sherri sliced tomatoes, lettuce and onions and then served. Before doing the buns Joe and Don's responsibility was to make sure that the hamburgers and veggie-burgers were properly aligned otherwise I have no doubt that Lion Mike N. would sense the misalignment and I would have had a phone call. The photo of the *Bulletin* on the grill is provided just to prove that the *Bulletin* actually does get greasy sometimes.

# 17 Sept — Camarillo HS Reunion BBQ 2/2

Thanks to Bruce's sister we got a group photo of the burger crew, minus Russ and Walt who had to leave a little early.

Not sure if I made a mistake in giving my phone to Lion John to take a few photos because the first one he took was a selfie; guess he didn't know that my phone didn't do selfies. Oh well, the rest were nice shots of the happy reunion folks who were appreciative of our effort to feed them burgers.

## 20 Sep - Board Meeting

Fourteen members (including the photographer) attended the meeting.

**1st VP Victor** just returned from the Lions leadership conference and got many ideas on how to grow and improve our club. We are eager to hear them.

**2nd VP John** asked for funding to purchase lions eye glass donation containers; it was approved.

**3rd VP Bruce** requested approval for two donated Santa Maria BBQ's for auction: Boy Scouts and Camarillo Arts Council; they were approved.

**Global Service Chair Bill Schulze** reported that we have 1650 service hours to date - great start.

### Global Causes:

- Diabetes (Lion Victor): He announced the walk for Diabetes Awareness on 5 Nov. (see flyer)
- Vision (Lion Rich): We completed our first vision screening today at Laguna Vista, screening 180 children. There are many more to come but notably absent are any Pleasant Valley School District schools.
- Hunger: Nothing to report
- Environment: Nothing to report
- Childhood Cancer: Nothing to report

### General

Lion Russ said that there would be no Snowflake BBQ this year due to illness of the organizer's spouse. Russ is pursuing their need for a cash donation for Christmas gifts for the children.

Lion Victor already ordered the peace poster kit. Secretary John will ask the B&G club if they want to participate.

### Solicitations

## Lion Lloyd Gets High - (up) in the Mountains 1/2

If I just said that Lloyd went to Colorado and Utah to see the great scenery and to give his cardiologist a heart attack when he learned that part of the trip took Lloyd to 14,000 feet you might not read this article — It's all about the headline, so enjoy the scenery; Lloyd certainly did.

---

Here, for your viewing pleasure are some photos from my recent guided tour of some of the parks of Colorado and Utah. The selection was made by the editor, whose taste in photography is questionable but we will go with it. Started out from Denver (mile high .....that's around 5,280 feet) and went to over 14,000 feet at the Great Divide (where rivers flow in different directions—to Atlantic and Pacific) and Pikes Peak. Learned that old people probably should avoid the higher altitudes, as oxygen is not quite as plentiful up there. The feet get very heavy and the head gets very light but I survived to hopefully go some more.

The photos from top left show Vail, Georgetown, Independence Monument in CO National Park.....traditional to climb on July 4th (Lloyd helicoptered to top??) and Canyonlands National Park.

## Lion Lloyd Gets High - (up) in the Mountains 2/2

The photos from top left show: Bighorn sheep, Colorado River in Background, Colorado National Park, Aspen, Mesa Verde National Park and Animas River from Silverton—Durango train.

### *Lion Lloyd*

I'm still trying to figure out how Lloyd took a movie (screen shot below) of their train travelling the Rockies unless he missed the train or it is a very long train.

## 27 Sep - President's Night in the Park 1/2

Lots of past presidents showed up to the meeting and it differed from some of the past presidents nights that I heard about; nonetheless, all seemed to have fun, we weren't raided and were treated to an Italian dinner from Ottavios. I couldn't attend but Lions Hillary and Victor did an admiral job of documenting the meeting sufficient to make me very hungry; although I did get some birthday cake and you didn't. Our newest member and potential city council member showed up and there were no campaign signs to be found.

Before dinner Lion Bill asked for more help at Underwood Farms that starts in 5 days. Then we asked for "volunteers" to participate in the Lions Ventura Downtown golf tournament. We already bought a foursome at the board meeting and wanted to open up to the club for participants. PP Bruce does a lot of barbeques for the PV Historical Society to benefit their organization and he has one on Tuesday 4 October. Call him before the end of the month to reserve a meal (at the miserly price of only \$15 for a Santa Maria dinner).

Sec. John always seems to come up with some great thoughts or quandaries so here is one of his latest.

Today's thought-provoking thought:

Courtesy of Mark Twain: "If you don't read the newspaper you're uninformed; if you read the newspaper, you're misinformed."

# 27 Sep - President's Night in the Park 2/2

Since I wasn't there I can only offer some observations from all the great photos from Hillary and Victor.

Hillary does a much better job of getting into the photo gallery than I do and Victor always provides a selfie to prove he was there. I definitely need a few lessons from these "guys" or whatever term I am allowed to use these days. Great to see PDG Mike Brown at the meeting as well as our favorite guide dog puppy Kay.

I think that some money must have changed some hands because Nunez shows up in most of the photos and I didn't even use all of them. Hope someone tipped the delivery guy!!!

# 2022 Food Share Fundraiser Gala

PV Lions and members are generous supporters of Food Share of Ventura County. Our Global Hunger Project donated over 8,000 lbs of oranges this year. Lion Hillary and his daughter, Lesley, had the pleasure to attend the 2022 Food Share Fundraisers Gala on Friday, Sept. 23. Over 250 guests and many corporate sponsors were in attendance. It was a very successful event.

# Underwood Farms Harvest Festival

Just when we were getting a little rest from Fair Parking — here we go again with our second largest and most difficult fundraiser.

It starts the day after this bulletin arrives. There are five weekends of “fun” and sun at the pumpkin patch so if you haven’t already signed up contact Lion Rich Cervantes — there is always room for more help. \

There are 5 themed weekends this year as follows:

- October 1-2- Friends of the Farm Weekend (Public Safety Weekend)
- October 8-9 - Farm Country Weekend
- October 15-16 - Antique Tractor Weekend
- October 22-23 - Wild West Weekend
- October 29-30 - All About Pumpkins Weekend

Although it doesn’t officially start till 1 October there is lots of preplanning since we are the organizer for Underwoods and Lion Bill deals with all the vendors and the county to make this happen. It takes most of a day to set up our venue and lots of trucks to haul all the equipment. Then on the day prior to the start we go shopping and stocking so there is a whole lot going on behind the scenes to make this happen.

We had help at Underwood from Santa Paula Lion Ray who always seems to show up to help.

Pastor Lion Victor with one of his flock is praying to the hamburger god for a great event starting in 3 day: “*May all the hamburgers be cooked to 155 degrees and be enjoyed by the masses*”. Shortly thereafter Victor is helping hang the front window at our venue. We know how many lions it takes to change a lightbulb (6: 1 to hold the bulb and 5 to rotate the ladder) and now we know that it takes 8 to hang the window netting and document that it is hung properly.

**Healthy Aging Month**

## **Healthy Aging Includes Healthy Vision**

According to the American Academy of Family Physicians, by the time adults turn 65, one out of every three has an eye condition that impairs their eyesight. Age-related macular degeneration, glaucoma, cataracts, and diabetic retinopathy are the main conditions that impair vision in the elderly. If left untreated, these diseases can lead to blindness.

Eye doctors, ophthalmologists and optometrists, volunteering their time and skills at California Lions Friends in Sight vision screenings, detect these potentially vision threatening disorders. They conduct testing, document results for the patient, and counsel them and their family on the necessity of seeing the appropriate eyecare provider. When it will help temporarily, these patients are given free recycled eyeglasses.

Our thanks go out to the doctors and to the Lions for their dedication organizing these vision screening services. Lions fundraising, advocacy, coordination of outreach and publicity for the events make all the difference in helping people age with healthy vision.

## **Vision Screening Service**

The California Lions Friends in Sight vision screenings are provided at no cost throughout the year for those facing financial hardship. They do not replace the comprehensive eye examinations that are obtained through an eyecare provider's office. They do assess eye health and provide a usable pair of recycled eyeglasses.

Vision screening process:

- At registration, patients are given printed information about the vision screening.
- Testing for eyeglass requirements.
- 40 years old & up are given an intraocular pressure test. Younger ages as directed by the doctor.
- Every patient, young and old, is evaluated by a doctor for eye health condition.
- Where needed, patients are dilated for a more detailed evaluation.
- Patients are Provided with recycled eyeglasses to use until they can obtain them on their own.

# Vision Screening 2022-23

All four schools screened in September were from the Oxnard Ocean View School District and our nurse coordinator was Julie Howell. Julie is very organized so it runs very smoothly every time she is involved. If there was a nurse award Julie would get *nurse of the year*.

## 1. Laguna Vista Elementary

It starts again with the dynamic tri of PV Lions. The nurse, Julie Howell is so we completed 180 kids in 2 1/2 hours. .

## 2. Mar Vista Elementary

We jumped to 281 screenings on day 2.

## 3. Tierra Vista Elementary

Lions Lloyd and Bill Schulze joined the bulletin for day 3 and did 275 kids.

## 4. Ocean View Middle School

Lion Russ caught a cold so the Bulletin replaced him for the final school for September. We completed 230 vision screening for a total for the month of 966.

## Lions in the News

The Pleasant Valley Historical Society did its due diligence this year and selected 2 Lions including our own brand new PV Lion Dave Tennessen and Ambers Light Mary Ann Novak to become Don and Donna on 17 September; congratulations to Dave and Mary Ann. Lion Dave also showed up on page 1 of the edition as one of three running for the City Council so the tail twister should take note. While I don't have any photographic proof their dinner was catered by Lion Bruce's Barbeque so they undoubtedly were not only feted but had a great Santa Maria Style BBQ dinner.

## **Horoscope: Libra - Scorpio**

- Only two Libras have ever been found in thrift stores. All of their bell-bottoms were color-coordinated to match their lame turtlenecks.
- Libras are always on the cutting edge of what the rest of us think is absolute pretentious bull. They have huge collections of CDs they've never even listened to. Libras give to designer charities.
- Hollywood is full of Libras. You are the reason butterfly hairpins and parachute pants have made a comeback.
- Most hackers are Scorpions, as are most people who think they're going to find fame on a chat board. You got into computers early so you could use made-up terminology and get away with it. You embarrass Libras because you like your coffee straight out of the bag, eaten with a spoon.
- Scorpions may have actually snorted Chock Full o' Nuts at one time in your life. You take your paranoid beatnik approach to life very seriously. Many Scorpions have found ways to successfully smoke in the shower.

## Puerto Rico is experiencing devastating floods.

LCIF grant funding will enable Lions to support hurricane victims to recover and rebuild.

Hurricane Fiona caused widespread, devastating flooding and landslides in Puerto Rico, and recently hit the Dominican Republic and other island regions. Reportedly, more than 3 million residents in Puerto Rico went into a blackout on the island from the catastrophic winds and rainfall. Puerto Rico's power grid remains fragile after Hurricane Maria in September 2017 that caused the largest blackout in U.S. history, killing more than 3,000 people.

When a humanitarian crisis of this magnitude strikes, we, as Lions, are ready to help. Right beside us is Lions Clubs International Foundation (LCIF), our global foundation. LCIF is mobilizing funds, including a US\$100,000 Major Catastrophe grant for Lions in Puerto Rico to recover and rebuild their island, as well as additional grant funding to support other areas impacted by this devastating hurricane. Your generous donation to LCIF's Disaster Relief Fund, specifically reserved for all disaster relief, helps Lions continue to serve!

**Your donation can make a difference.**

## PRESIDENT'S MESSAGE

### Together we can with International President, Brian Sheehan

#### Dear Lion,

One of the best parts of being a Lion is that every day you can see how your service changes lives right outside your door. But that's only the beginning. Because whether your focus is local or global, your impact goes far beyond your community. Especially when we serve our global causes.

Our global causes unite the talents and innovation of every Lion and Leo around the world. So if you're looking to take on an ambitious new service project, consider one of our global causes. And no matter how you serve, keep it up because Together We Can starts with you.

Make a great day,

**Brian Sheehan**

**International President**

#### Service Spotlight: Diabetes

One of the biggest ways we make a difference is by serving our global cause of diabetes. It only takes small steps to prevent millions from developing type 2 diabetes, and that's where Lions can be the difference.

Visit our [diabetes cause page](#) to learn more about this disease and download the resources your club needs to educate your community and raise awareness. You can also download our diabetes project planners to help you make an even bigger impact in your community.

And with **World Diabetes Day on November 14**, there's no better time to start planning a great project. And don't forget to share your story using the hashtags #WeServe and #LCIFLions.

# TALES FROM THE LIONS DEN

Fellow Lions,

Please, find below the first issue of the **2022-2023** Global Membership Approach newsletter for District 4-A3. This year, several issues will contain a brief introduction to members of the GAT "group" - your Global Action Team! This month features PDG Margaret Dunlevy!

- 75% of clubs in the district will report their service projects pertaining to the Global Causes for LCIF and grant opportunities.
- The district will raise at least \$30,000 to support Campaign 100: LCIF Empowering Service.

### Greetings, Lions! from PDG Margaret Dunlevy Global Service Team Coordinator

#### We are off to a great start for service in District 4-A3!

We already have 72% of our clubs (21 clubs) reporting in *MyLion* and several other clubs that have held projects and activities that have not been entered yet. If you are having problems entering your service information, please contact me at [dunlevy.margaret@gmail.com](mailto:dunlevy.margaret@gmail.com) or call or text me at 805-340-5605. I will be happy to help you get started or assist with the entering of data.

Just two quick reminders:

- 1) Please try to provide service to your community and beyond in each of the five Lions Clubs International areas of focus: Vision, Hunger, Childhood Cancer, Diabetes, and Environment.
- 2) California Lions are focusing on Project Care to cover the following concerns that include the above LCI areas plus adding in two others and focusing the service into certain months:
  - July-August ~ Youth
  - October ~ Vision
  - December ~ First Responders & Military
  - February ~ Hunger
  - April ~ Environment
  - May ~ Childhood Cancer & Diabetes

Please keep up the great work and keep entering at *MyLion* or notifying me of what projects you are pursuing and the results.

Thank you!  
Lion PDG Margaret Dunlevy  
Global Services Coordinator for District 4-A3  
Global Services Coordinator for CA-Area 2

*Words from author Jay Shetty:*

*"These are the moments that need to galvanize us to support each other to serve. And I would go on to say that if you're struggling to get out of bed in the morning for yourself, these are the mornings we get out of bed for our children, these are the mornings we get out of bed for others and for people who are struggling."*

## District Dashboard Summary — July through August 2022

### Service:

#### Reported Service:

Thank you to our club secretaries, service chairs, and club administrators for reporting their activities. Below is the July-August service activity reported to LCI via *MyLion*.

### Meet Your District 4-A3 Global Service Coordinator:

I am Lion Margaret Dunlevy, member of the Ventura Downtown Lions Club. I am serving this year as the Global Service Coordinator for District 4-A3 (Ventura, Santa Barbara, and San Luis Obispo Counties). Service is a key

element of Lionism, and I look forward to working with each club/Lion to promote service in each of our communities throughout 4-A3.

My background in Lions began in 1967 when I took part in the Lions Student Speakers Contest at my high school in Kingsburg, CA. When Bill Dunlevy, my spouse, was asked to join the Ventura Downtown Lions Club, I was thrilled. We have both been involved with Lions through his membership since 1980. I was finally able to join in 2001.

[continued on page 4]

### Membership:

#### Net Growth (as of 8/31/2022):

Congratulations to the following clubs:

- ★ Camarillo-Somis-Pleasant Valley: +1
- ★ Carpinteria: +2
- ★ Ojai Valley: +1
- ★ Oxnard Downtown: +3
- ★ Santa Margarita: +2
- ★ Santa Maria Sunrises: +1
- ★ Santa Paula: +2
- ★ Vandenberg Village: +3
- ★ Ventura Downtown: +6

#### MD4-A3 Membership Summary:

- July 1, 2022: 1005 Members
- August 31, 2022: 1014 Members
- Added Members: 25
- Dropped Members: 16 (7 deceased)

**District Net Membership: +9 members**

We are averaging about 22 clubs that have been submitting their Monthly Membership Report (MMR) in MyLCI. Remember, even if there is no change to your club membership, you still need to submit the monthly MMR **before 10:00 p.m. on the last day of each month.**

It is with everyone's help that we can achieve net membership growth in 2022-2023. Let's keep the positive momentum in growth and membership retention moving forward.

Please, mark your calendars for a **Membership and Club Leaders Session** scheduled for **Friday, September 23, at 7:00 p.m.** As this is the first meeting, it's purpose will be to give everyone a chance to introduce themselves. It will also be a time to share ideas and provide some membership strategies. The meeting will be kept to one hour and is open to all Lions. Hope you are able to participate and share your ideas. [Click here](#) to join the meeting that evening.

If you have any questions, please feel free to contact District 4-A3 Global Membership Coordinator, PDG Juanita Nichols. She can be reached at [lionjuanitagn@gmail.com](mailto:lionjuanitagn@gmail.com).

## From LCIF Chairperson Douglas X. Alexander

Greetings Lions and Leos!

As you continue helping the world in times of great need, remember that Lions Clubs International Foundation (LCIF) is here to support you in serving your communities. LCIF awards grant funding that empowers us to make the greatest impact, both locally and globally. In reading this month's newsletter, I know you will feel inspired and motivated to serve by both doing AND giving. Thank you for joining us as we build on the success of Campaign 100 by continuing to support LCIF through a donation or pledge and by spreading awareness of the great things made possible through our global foundation. As the needs of the world continue to grow, LCIF remains committed to helping us take our service even further.

### Lions Always Answer

Together, we made history through Campaign 100. Even as we celebrate our tremendous success, the calls to serve a world in need continue to grow. Through your support, LCIF empowers Lions and Leos to always answer.

## From LCIF Chairperson Douglas X. Alexander

Greetings Lions and Leos!

We are each guided by kindness to serve not only those in our own communities, but also people in need around the world. Giving to Lions Clubs International Foundation (LCIF) ensures that your donation makes the most impact, both locally and globally. LCIF is the only Lions foundation to empower the service of Lions worldwide, and 100% of your donation benefits LCIF grants and programs. This issue of your LCIF newsletter shares some of the ways we, through our continued support of our foundation, can take our service to greater heights. Thank you for joining me in service through doing AND giving.
