Reflections From the Desk of Lion Victor

As the summer sun continues to grace us with its warmth, I am excited to bring you the latest summary of updates and stories that have unfolded throughout August.

General Bill Schulze led the charge for our biggest annual project FAR PARKING this past August 2nd through August 13th, 2023. It took countless hours of planning, logistics, shopping and setting up for an event this size. There were many new obstacles and challenges this year, some very difficult but Bill managed to overcome them all and make this event successful. It took a great number of men/women hours to make this happen. I want to personally thank our club and the rest of our supporting clubs for giving your time and efforts towards this project and a special thanks to Lion Bill.

Our Wings over Camarillo BBQ was a success, although most of us lost our hearing out there. Lion Russ had our club working in top form as we fed their staff, support crews and pilots that put on this two-day event at the Camarillo Airport. A Big Thank You to Lion Mike Nunez for acquiring our first state-of -the art lion pop-up canopy. Look for more new marketing pieces as we move through the year. No longer will we be Camarillo's best keep secret.

Also, this month was DG Rich Cervantes installation of his MD4-A3 Cabinet on Saturday August 19th, 2023 done by PDG Norm McDaniel. This was the first district meeting of the new year incorporating three new clubs into our district, Castaic, Palmdale, and LA Mid-Valley - Welcome! There was a great turnout! This event also included the Farm Workers Children's Project where our district supplied school backpacks filled with most of the required essentials a student will need for school. To accommodate any shortfalls in the backpacks our club donated Qty 50 \$25 gift cards to cover any specialty items. This may be a future project working in collaboration with Ambers Light.

Coming up first in September is <u>Lion George's</u> Target Shopping Spree Saturday September 9th, 2023, at 7:30am. That same day is the Lions Terisita Pines Diabetes Camp's Open House 9:00am to 4:00pm in Wrightwood, CA. I am trying to hand deliver our donation check to them in person. Come and see what this diabetes camp has to offer.

Planning and work have begun for Underwoods Fall Festival which starts the weekend of September 30th and 31st 2023. Please be generous with your volunteer hours. We will need you.

Yours in service,

Victor Martinez, President

Agents of Change!

2-13 August - Ventura County Fair 1/10

Fair parking starts for some, days before the first ticket is sold. Lion Bill Schulze spends many hours working with the fair board, organizing and procuring equipment and most importantly filling all the spots needed to run the event. He starts with our club trying to fill all the spots and then solicits help from all the other clubs in our immediate area. As you will see in the following pages we have help from many clubs including Santa Paula, Ambers Light, Channel Islands, Conejo Valley and the Ventura High School wrestlers and coaches. Lion Merleen Smith comes up from near Palm Springs for two weeks to work as a banker.

The day before the fair, Lions Bruce, Russ, Victor, Bill and the Bulletin bought lots of supplies, set up the venue and even learned that our President had to be careful with the flimsy golf cart key, they do break resulting in a tow operation.

The banking office/storage area container and our tents that would look great in the Sahara are ready to go for the start of the fair tomorrow.

Lots of pages for the Fair for those who couldn't attend.

Ventura County Fair 2/10

It all starts with the bankers who dole out the tickets and handle all the cash receipts. This year WYO even came to the fair to learn how to be a guard dog, one of his many new skills.

Lion Hillary had the afternoon shift and provided some of these photos. Lion Bill looks content but that won't last long.

On the first two days of the fair we had lots of PV Lions working, which was nice to see. The VHS wrestlers are shown being carted to their stations to direct traffic.

On day 2 the entry gate was changed to a location closer to the Derby Club so we often carted the line workers to their stations. We are still working out the flow patterns and hope to get it resolved within the next two weeks.

Ventura County Fair 3/10

Here are a few more photos of the worker bees either on the line or waiting for their shift. This was Daniel's first year at the fair and he functioned like a pro.

Lion Russ and I share duties as night shift supervisor and this was his turn in

the barrel making out the shift lineup for the evening.

I spent much of both evenings doing credit cards using these great readers that Bill Schulze provided. It handled every conceivable type of card and even accepted promissory notes from their mother or father as payment. I had company in the late afternoon by the Shadow so I felt very safe. The largest Ferris wheel a the fair was right behind me and it was spectacular in the evening.

Ventura County Fair 4/10

Day 3 was a Friday and was a very good and boring day primarily because there were no issues and we are settling into a nice routine. Day 3 is officially known as WYO day and she had a calming influence on the group. Santa Paula and Channel Islands Lions dominated the evening shift. CI even brought in a rookie, bottom left who was about to sign on the dotted Lion line to become an official lion. Great to see new blood show up at Fair Parking.

Ventura County Fair 5/10

Day 4, Saturday was our busiest day so far and we had new night shift bankers Walt and Brenda at the helm. The lot closed several times during the day and the lines extended all the way to the freeway but we survived.

Like last night lines continued almost until 9pm. We had a new trainee on the credit card line, Dick Bellman who learned the device and hung in there from 6-9:15pm.

Day 5, Sunday was almost as busy as Saturday but much more eventful. We had a couple of gate/cone crashers that allowed other vehicles to enter the lot when it was closed without paying. In the end it cost the first two who moved the cones big time when their trucks got towed. Instead of a \$20 parking ticket they each got hit with a minimum \$250 towing fee — crime definitely didn't pay. I met both of the gate crashers when they came looking for their vehicles late. Fortunately for them I had the phone number of the towing company.

Ventura County Fair 6/10

Day 6, Tuesday was Senior Day where seniors get into the fair for free so it was a very busy day, which turned out to be our biggest day by far. The lot filled up and this is always a challenge because we have to direct all but handicapped vehicles directly to the exit. Although the entry signs clearly state that the lot is full they come anyway because they were not turned away by the police so we *have the pleasure* of telling all that the lot is closed.

We had a couple of new bankers for the evening and a new edition to the line, Lion Kevin Kildee.

Day 7 was military appreciation day and all active duty military got into the fair for free so it was another busy day in the lot.

Days 8-10 were a blur and we are now

nearing the end. Day 10, Friday was livestock auction day and it was insane. Both parking lines were full at 9:30pm with lines extending to Harbor Blvd. and the fair entrance closes at 10pm. It was backed up in the lot because of problems with exiting so we just opened the lot and let all those crazy enough to try and find a spot into the lot. I did manage to get the coup of the event by parking 4 motorcycles in one parking spot at \$20 each when the lot was

Ventura County Fair 7/10

Livestock Auction.

For the second year in a row we attended the auction and it was incredibly busy this year with several times the number of entrants as last year. There were 68 steers compared to 25 last year so prices were well down from last year. All we can hope for is that they made enough to cover the very high cost of raising a steer. For the second year in a row my grandson shown with *Dayton* managed to get into the VC Star.

There was a very large contingent of goats and I was sitting next to a lady who kept bidding up to \$32/lb. for a 100lb goat. I think that she was a very proud grandma. Also, there were lots of turkeys with a few selling for up to \$2100 - that's an expensive thanksgiving!! One person in the lot told me that he just paid \$7800 for a lamb — Wow!!

Lion Mike N was up front helping with the auction as usual so he was a busy guy. Mike was also there for the several steers and kids that he mentored through the process. He was like a very proud papa when they came on stage.

I had to show one more photo of my grandson with his steer Dayton who followed him around like a puppy and this was very different from last year when *his steer dragged him around like a puppy*.

I am amazed at how these animal raisers are able to spend many months with their animals only to auction them off knowing that soon, most will enter the food chain. This activity causes all the animal raisers to grow and mature. I salute all those who help these kids with their animals.

Ventura County Fair 8/10

Day 11, Saturday was a calm day. Stella from CI did it again with dinner for the late afternoon and evening shifts. This is the third day that she fed the group and it is always appreciated. That's her at the back of the tent laying out the Panda Express feast. Previously she brought pizza and a homemade chicken and rice dinner that was delicious.

I had to show a photo of what our ticket sellers see each night. Lions Dick and Paul can barely see the cash and tickets at this time of night. I am always astounded that people show up as late as 9:30pm to purchase a ticket when the fair entrance closes at 10pm.

You probably are wondering why I am showing a truck and a Mercedes Camper Van. The lot was almost full and these people were having trouble finding a spot, particularly for the Van so I directed them into non-spots next to the credit card station. Both were very appreciative and the Van owner gave me a \$20 tip. I told him we were Lions and thanked him for his "Lion" donation.

Ventura County Fair 9/10

Day 12, Sunday also known as the *last day of the Fair* turned out to be our biggest sales day. We were very surprised but certainly pleased because it went smoothly all the way to the end. The dark scene below is at 9:15pm and they kept on coming. We shut down the ticket line at this point to give them a chance to get into the fair before the gate closed at 10pm. Even at 9:45 there was a line at the Fair entrance gate. Understandably I got a little sad when the cattle haulers entered late to pick up all the steers after the auction.

Sorry about not having any photos of the morning crew led by page 34 Tom but I didn't get there early enough and *apparently only Hillary and I brought our phones to the Fair (hint)*. The three musketeers bottom right were the last ones standing as we closed up shop.

Ventura County Fair 10/10

The same folks who set up the venue took it down. Bill, Victor, Russ, Bruce and the Bulletin packed up all our equipment on the day following the Fair and delivered it to our storage yard. We lost two canopies due to wind at the Fair but we managed to salvage the cover but not the frame.

I would be remiss if I didn't thank our Fair Parking leader, Lion Bill Schulze for his hard work for the 12 days of the Fair plus all the other days necessary to staff and organize the event and to deal with the Ventura County Fair leadership, security and police.

He did his usual amazing job in making this our largest fund raiser of the year. In addition, it benefitted six other clubs in our district, Ventura High wrestlers and most importantly it benefitted our community and LCI.

Thank you Lion Bill Schulze

8 August - Regular Meeting

Since I was otherwise occupied at the Ventura County Fair I depended on Lion Hillary to provide some photos and others (Victor and John F.) to provide some context to the events. As you can see, the turnout was small primarily because many were at the Fair. There are some new faces from last meeting so I expect that Lions Hillary and Wim got a few more mug shots for the new directory.

Pres. Victor asked 1VP Bruce to be our guest speaker and you can see him standing proudly next to "Old Glory". "Bruce discussed his background, high school and work career. Our Secretary provided

some additional detail but you will have to go to Sec. John's Pot Pourri page for details. Not-withstanding that added background for Bruce we are thankful that it all worked out particularly since he is such a valuable member of our club and the community.

Mike Nunez spoke about a get-away steer that made it into the fair crowd, bruised his ribs and how he roped it back into the coral - way to go Cowboy Mike.

Kim gave our club a big thank you for the California Lions Foundation Fellowship Award she received at the installation dinner for her work with student

speakers and other community events with her students. She continues to work with the youth and will help us in anyway she can.

Lion John spoke on the importance of our members getting involved with our district. John certainly has been involved with our district for many years and continues to be ours' and the district's point man for eye glasses collection.

Lion Celle Smith brought a friend but her friend was disappointed that WYO wasn't there. Lion Merleen is in town for the Fair, staying with the Nunez's. It is always great to see her. She is shown working as a cashier with 2VP Bob.

Go outside and you nature - Part 2 Thanks Lloyd

District Governor Rich at Council of Governors

DG Rich, Mary Jo and Pres. Victor attended the Council of Governors meeting in Visalia. Here are a few photos for your "viewing pleasure"?

At right past international president (2021-2022) Doug Alexander was brave enough to do Karaoke.

Next is DG Rich and Mary Jo with District Governor Hank and Pattie.

It is not quite clear who Rich is pointing to in the

photo below, although Rich said that it was Pres. Victor. If so, who knew that Victor has an alter ego rock hipster past. Gotta love the hair and tattoos.

They all seem to be Totally reliving their 60's past.

Broke my rule of no selfies but just had to show Victor with his twin brother. The tats must be a family tradition.

Finally, we see Rich with PDG Juanita Nichols and Mary Jo.

15 August - Board Meeting

Guest Speaker

We had a speaker from Livingston Memorial Visiting Nurse Association and Hospice. Heather provided an excellent description of this valuable community non-profit organization. While she provided lots of details on the numbers of people served, donations and their cost of operation her primary focus was on Livingston's grief and bereavement program. Since Covid they are overwhelmed with requests for these services particularly at local high schools. She requested funds to support these services for both Rancho Campana and Camarillo High Schools; PV Lions came through. Heather is shown to right of John.

Club Business

- Secretary John presented an opportunity for the club to sponsor a walk for Lupus at Seabridge Harbor Ventura, which is an autoimmune disease affecting many including John's daughter. John has already done his legwork to locate a site in Ventura and asked the club for support. The club is definitely interested in supporting this cause so John will pursue and report back.
- Lion Bill Schulze gave a rundown on the Ventura County Fair, which grossed over \$500K this year. We are slightly down from last year because we continue to lose parking spaces for the Casino and Derby Club. Nonetheless he complimented the club for its larger participation this year. In turn we all complimented Bill on his tireless work for the club.
- 1VP Bruce complimented 4 of our club members including Lions Mike, Jan, Kerry and Chet for cooking at Bruce and Ellen's daughter's wedding at the Carpinteria Lions Park. Bruce and Ellen donated \$700 to the club thanking them for their effort.
- Treasurer George -Kids Shopping spree is set for September 9 at Target. He got many signups from the board and will look for more at next regular meeting.

Donations

- MAUI Disaster relief \$10,000 to LCI earmarked for Maui.
- Livingston Memorial \$5000 to support grief and bereavement program
- Pleasant Valley Historical Society \$1000 for table for 10 at Lion Lloyd and Russ induction as PV Historical Society recognition dinner.

CAMARILLO COMMUNITY BAND PO Box 903 Camarillo, CA 93011 August 11, 2023

Victor Martinez, President Pleasant Valley Lions Club P.O. Box 157 Camarillo, CA 93011

Dear Mr. Martinez,

Thank you for supporting the Camarillo Community Band with a donation of \$1,000 from the Pleasant Valley Lions Club. Since 1986 our band has served the community by offering free concerts and giving musicians an opportunity to play. We are grateful to be among the groups whom the local Lions have helped.

The expenses of a community band – insurance costs and the purchase of music and supplies – continue to climb. Your gift enables our mission to continue. We rely on donors like you to ensure that the band keeps on making music in the Camarillo area.

Thank you for indicating that the Lions would welcome our acknowledgement of your gift in our band programs and website. You are among our "top tier" donors, and we will make sure that our audiences know.

Sincerely

Daniel A. Rhymes, President

Camarillo Community Band Board of Directors

18 Aug - Wings over Camarillo BBQ 1/4

We had a large turnout for Lion Burgers for the staff at Wings over Camarillo the day prior to event. They paid \$10 each for 310 but the turnout was less than 250. It was a great afternoon for Lions.

Thirteen PV Lions showed up for the event. I think that most wanted to see the show and

this was a way to get in free. Note our terrific new canopy thanks to Lion Mike Nunez. There was no doubt who was cooking and serving to a very appreciative group.

We started setting up at 1400, cooking at 1530, serving at 1700 but didn't finish serving until 1915 when the jet pilots finished their runs. By then we couldn't hear a thing.

The photos below came from their website and depict the planes on the next two pages that I managed to photograph with my iPhone.

18 Aug - Wings over Camarillo BBQ 2/4

While we were cooking, the jet at right flew right over our heads many times and it will take a while before our hearing comes back to normal. We never saw it coming until it was right over us.

The five prop planes directly below were far less noisy and gave us a great show.

The single prop plane at bottom made us all a little dizzy when it spun at the start of each run. All in all we had a great show while serving Lion Burgers.

18 Aug - Wings over Camarillo BBQ 3/4

Lunch consisted of lion burgers, chips and water so it was quite simple but to serve as many as originally projected it requires organization. Lions Missy and Jan organized the serving tables, Mike and Neil cooked all the burgers in our smoker and it worked great. Lions Victor, DeBardas and Flores assembles the burgers, Lloyd and Gino took tickets and then Missy, Jan, Mike, Bob L. and Bob T. got folks through the lines. We even had a WW2 veteran show in the line in a wheel chair.

The final act of the evening was Lion Mike gingerly putting his new canopy to bed.

Lion Gino followed this up with a donated bbq for Korean War Vets on Saturday.

18 Aug - Wings over Camarillo BBQ 4/4

Just when I thought that my hearing was coming back to normal I heard something and went out on my deck only to see what we saw yesterday afternoon so I got out my iPhone and took some photos. Heard a loud explosion, then saw the smoke plume. I hoped that it was not a plane then remembered those folks in line yesterday with Pyro on their shirts; sure hope it was them.

MD4-A3 First District Meeting

SATURDAY August 19, 2023

DG Rich Cervantes and his cabinet were officially inducted by PDG Norm McDaniel at the first District Governor's meeting of his year. The Boys & Girls club was full with members from many clubs in the district including new clubs Castaic, LA Mid-Valley and Palmdale.

DG Rich encouraged us to Be Kind and to Have Fun. Note that George and Chris Graham "stepped up the plate" to support DG Rich.

Go Dodgers!!

PDG McDaniel is a great and funny speaker and did a nice job of thanking the previous cabinet and welcoming the new 2023-2024 Cabinet.

19 Aug - MD4-A3 First District Meeting

Camarillo-Somis Pleasant Valley Lions had 10 members at the meeting, which was second only to Ventura Downtown's 11. Nine of our members are shown at right because the Bulletin doesn't do selfies.

First up for DG Rich was the new district Treasurer, George Graham who said that all is well financially in MD4-A3 land.

PDG Kalani followed to discuss the state of the district and focused on district growth. He has a goal of creating one new club in the district this year and wants all of us to help grows membership. He asked each club to spend a few minutes discussing ways to grow. Kalani also discussed the Maui disaster and encouraged us all the pray for them and to support their needs.

PDG Margaret talked about future themes for LCI and project care chart — following.

PDG Roundy discussed leadership and found a dozen lions to participate in his workshop.

PDG Margaret lead the backpack stuffing district project where 50 backpacks are to be distributed to farm workers children.

See thank you from PDG Margaret Dunleavy —following.

Thank You District 4-A3 — Lion PDG Margaret Dunlevy

Thank you to the Lions Clubs of District 4-A3 who supported the District Service Project this last Saturday, August 19, at the District meeting in Camarillo!! Some clubs who could not be present for part or all of the meeting still donated items to stuff the backpacks for children of fieldworkers. These students do not receive backpacks or supplies from any other group.

Thanks so much to our Zone 6 Chair Mary Ann Novak and District Secretary Chris Graham for bringing the needs of this group forward and reaching out to the contacts with the organization to make this happen. Also, Chris was able to secure the donation of more than 50 backpacks from Schools on Wheels.

Thirty Lions and guests stuffed 50 backpacks!! The representative of the fieldworkers' support group spoke regarding the needs of those in that community. Several clubs donated 50 items needed for the backpacks. The recipients will be prepared for school with the supplies they will now be receiving.

Due to the generosity of our District Lions Clubs, there were two spiral bound notebooks, two folders, two sets of lined notebook paper, pencils, sharpeners, pencil pouches, rulers, and more. Thank you to each and every one who supported this event!

Plus 50—\$25 gift certificates from PV Lions

22 August - Family Night in the Park 1/3

It was Family Night in the Park, the weather was great and there was lots of good food provided by our cooking crew of lions 1VP Bruce, Mike and Kerry and Anthony. Dessert was provided by club members.

After enjoying friends, refreshments and appetizers Pres. Victor started us off by asking 2VP Bob to do the flag salute and Page 34 Tom to lead us in prayer, most of it anyway (he will be visited by our Tail Twister next meeting).

DG Rich invited our 1DG Jason Laird and his family to the event because they are part of our family. I told John that he would make the first page but what I really meant was that Paula would make it, he just happened to be in the photo — It was great to see Paula again.

Lion George asked for help at

our Kids Shopping Spree slated for next month and got a few more takers. Lion Bruce somehow disappeared from my camera, nonetheless he mentioned the upcoming PV Historical

Society awards dinner where Lions Lloyd and Russ will become DON's. We bought a table for 10 and he signed up folks to help celebrate our newest DONs.

Secretary John with Charley let the club know that we would be bringing back an old tradition of dessert at Family Night so he asked the club in his own inimitable style — **See Pot Pourri**

22 August - Family Night in the Park 2/3

Lion Mike just loves to cook burgers and we had some product remaining from Wings over Camarillo so he just finished what he started last Friday. Dinner was lion burgers, beans, lots of salads and desserts of course.

Lion Kerry even sauteed mushrooms and onions for the burgers but he missed

the camera, I guess he was just moving way too fast or perhaps hiding in he trailer.

Artie and Joe are protecting the desserts from pre-dinner pilfering. There were lots of cookies, cakes and even strawberry shortcake assembled by our Lion Jan.

22 August - Family Night in the Park 3/3

Here are a few photos of the lion members, friends and family but you will have to interpret a few back of the head shots to determine who they are — I must have been holding the camera backwards!!

I wonder how many lions went to the O-club for the meeting?

Thanks Brenda for the photo of 1VDG Jason and family.

Greetings PV Lions, Tigers, or Bears...

Our intrepid cooking crew has the main meal well in hand, but we're reaching out to all those who can bring a dessert to the event...please feel free to do so.

Well...that's about it for now. If you can pitch in and help out with the sugary goods, don't be a **desserter** (sorry, it was there).

With respect to tasks that are not involved....taking some of the produce from the Market to replant at my home is, at this time, not a listed volunteer option. I am currently appealing this decision...appealing and whining...appealing, whining, and stomping my feet. But, I digress.

26 August — Farmers Market

Four PV Lions did the Farmers Market and it was a very good day. Each of the folks below dropped off **eye glasses**, **batteries or <u>cash</u>**. The gentleman in the middle below went back to his car to get eye glasses as he was leaving. Also had some Lion visitors including GK who also brought eye glasses.

Last year I replaced all the windows in my house with those expensive, double-pane, energy-efficient kind. Today, I got a call from Home Depot who installed them. The man complained that the work had been completed a year ago, and I still hadn't paid for them.

HHHelloo......just because I'm blonde doesn't mean that I am automatically stupid. So, I told him just what his fast-talking sales guy had told me last year... that these windows would pay for themselves in a year.

Hellooooo, it's been a year, so they're paid for, I told him. There was only silence at the other end of the line, so I finally hung up. He never called back. I bet he felt like an idiot!!!

Two PV Lions participated in the event and I only have a selfie from 1VDG Laird of our DG so I broke my no selfie rule. Lion Bill with SP Pres. Doug Learn are hoping that the lady to Bill's left will wake up in time for the event because they expect several hundred for eye glasses. Perhaps she came all the way from Beaumont that morning; if so she needed a nap. Bill is the District representative for Lion Friends in Sight.

26 August— Tailhook Convention

Lion Walt and Brenda drove to Reno to attend the annual Tailhook convention. Walt looks like he could jump back into an A-4 right now. Note that I didn't say fly, just jump in.

Mailbox art from John Knittle

I just got these from Lion John Knittle and wondered where they could go until I had some room under Tailhook.

Not sure if John, Paula or her care giver is the artist but it is clear that whomever lives in 1525 needs to get with the program.

Salute to this year's Dons and Doñas

August 26, 2023 CAMARILLO COMMARILLO Your Community Partner Since 2006

It's the time of year when Camarillo and the greater Pleasant Valley celebrate the men and women who make the area special.

City namesake Adolfo Camarillo— the "last of the Spanish Dons"—who died in 1958 at the age of 94, was a man of diverse talents. At an early age, upon the death of his father, Adolfo took on the family's cattle ranch, transforming it into a successful agricultural business, growing a wide variety of crops, including lima beans, citrus and avocados. With Joseph Lewis (of Lewis Road fame), he operated a dairy. You know the site as Leisure Village.

HONORED—Dons and Doñas selected this year are, seated, from left, Mary Grizzard-Paul, Carl Anderson and Joni Berger. Standing from left, Allen Grizzard-Paul, Tony Trembley, Chuck Spence, Jo Spence, Phyllis Anderson, Lloyd Christie, Russ White, Karin Farrin and Greg Farrin. Courtesy of Pleasant Valley Historical Society

For all his success in busi-

ness, Adolfo never forgot the community and was always ready to help those in need.

This combination of business acumen and philanthropy undergirds the Pleasant Valley Historical Society's annual recognition of the Dons and Doñas, designations harking back to the early days of California as the title given to community leaders.

For nearly six decades, the historical society has highlighted longtime residents who make a difference in the community through their professional and volunteer efforts.

Among the criteria is that these good deeds must have been going on for at least 20 years.

The society's honorees are all nominated by the community.

As is tradition, the nominations for 2023 were received and reviewed by historical society officials to determine the new group of worthy recipients. They include a wide range of service to the community to make the Pleasant Valley area a most special place.

The new Don and Doñas will be honored at the annual barbecue of the Pleasant Valley Historical Society at 1 p.m. Sat., Sept. 16 at the Camarillo Community Center, 1605 Burnley St.

Horoscope: Virgo - Libra

- It is easy to freak out a Virgo. Tell them they have something between their teeth. Then watch them scrub frantically at the imaginary thing.
- Virgos are a hell of a lot of fun for assholes like us. Hell for a Virgo is being locked up in an elevator for eternity with a naked Aquarius. That is because in hell, Aquarians are allowed to bring beer, which they leave all over the floor. Virgos, however, have to surrender their brooms and squeegees to God.
- You are oh-so-elegant and tasteful to the point of incurring nausea from loved ones. You are also bipolar as hell and can't make a decision on your own. You usually consult your therapist or TV Guide.
- Libras are trendy and malleable folks. They are funny because they will glom onto something they hated before if it suddenly becomes fashionable. Velour is not entirely lost upon these people.
- Libras eat a lot of ethnic food from cultures they don't understand. They single-handedly started the cappucino movement.

Thank you for your support of the Hawaii wildfires victims

We are writing to express our profound gratitude on behalf of the entire community affected by the Hawaii wildfires for your remarkable and unwavering support through the California Lions Foundation. Your contributions have truly made a significant difference during these challenging times.

The impact of your efforts has been deeply felt, and we are thrilled to share some of the ways your generous contributions have positively influenced the community:

Helped give out hundreds of hearing aids and glasses to those who lost them.

Helped supply and feed a preschool affected by the wildfires.

Helped the culinary students at a community college prepare and deliver 10,000 meals daily to evacuation centers.

Helped with 5,000 meals to those who moved from the centers and now staying in area hotels.

We are humbled to share that the total amount of \$32,755 has been sent to the Hawaiian Lions Foundation. A testament to the incredible impact Lions can make when we come together for a greater cause.

Your support has not only provided practical assistance but has also lifted the spirits of countless individuals facing uncertainty and hardship. Your kindness and generosity have created a ripple effect of hope and resilience that will undoubtedly leave a lasting impression on the community.

If you haven't made a donation yet there is still time as we will be running this fundraiser until September 15, Please consider making a donation at our website <u>californialionsfoundation.org/hawaii</u> or you can send a check to the California Lions Foundation. Once again, thank you for your compassion, commitment, and unyielding support. We are immensely grateful.

President's Message Changing the World with International President Dr. Patti Hill

Dear Lion,

Changing the World begins with us, but we're not supposed do it alone. Collaboration is the key to delivering meaningful and lasting outcomes in your community. That's why inviting more great members just like you can help your club and community reach their full potential.

Let's start with planning ambitious service that addresses the biggest challenges facing our communities. Then, let's bring in new members to help us make an even bigger impact.

You know the difference one Lion can make. You know the difference your club has made. Together, we are changing the world one life, one relationship and one community at a time.

Yours in service,

Dr. Patti Hill International President

We're on a mission - MISSION 1.5

To make sure we are always there and ready to serve, we need to grow. That's why we're launching MISSION 1.5.

MISSION 1.5 is our drive to reach 1.5 million members by 2027 so we can better meet the growing needs of our communities and serve more people than ever before.

Hello Lions, Leos and fellow humanitarians,

As you continue helping the world in times of great need, Lions Clubs International Foundation (LCIF) is there to support your service. LCIF grants enable us to make the greatest impact, both locally and globally.

This month's newsletter highlights examples of this impact to motivate you in both your service and support of LCIF. I was fortunate to participate in the Global Service Week in Kenya and was truly inspired by our grant funding, which supported 35 service activities in four days. I hope you enjoy the video highlights below. Thank you to everyone who was part of this awesome project, and to those whose donations to LCIF made it possible.

Make a great day,

Brian E. Sheehan Chairperson, Lions Clubs International Foundation

Natural disaster knows no borders.

There's no telling when or where a disaster might strike. You can make sure that Lions will always be there when needed.

LIONSCLUBS.ORG/DONATE O

Devastating natural disasters have recently struck across the globe, including:

- · Ravaging wildfires in the United States, Greece and Tunisia
- Catastrophic flooding in Bangladesh, Colombia, India, Japan, Korea, Slovenia and the United States
- Destructive hurricanes and typhoons in Bangladesh, Brazil,
 China and Philippines

When humanitarian crises of this magnitude strike, we, as Lions, are ready to help. Right beside us is Lions Clubs International Foundation (LCIF), our global foundation. Since July 1, 2023, LCIF has awarded more than 45 disaster relief grants totaling more than US\$485,000.

Your donation to LCIF's Disaster Relief Fund helps ensure LCIF responds quickly and supports Lions' efforts to provide help and hope where it is needed most.

Message from 1st VDG Jason Laird

Dear Lions of District 4-A3,

It is with immense honor that I begin my year of service as your First Vice Governor.

I want to express my heartfelt gratitude for your trust in me to lead our district. I am fully committed to serving you and being a strong advocate for positive change. Together, we will explore new and creative ways for Lions to thrive and fulfill our meaningful mission.

I eagerly look forward to the year ahead, filled with service and fellowship. My goal is to actively engage with each club in our district, listening and learning, and ensuring that our district adds genuine value to all our clubs.

Let us march forward with unwavering faith, believing in our ability to succeed in district initiatives, increase our membership, and make a positive impact on the lives of our fellow neighbors.

With sincere dedication, Lion Jason Laird District 4A3, 1st Vice Governor

District Club Visitation Information!

Dear Lions,

A new Lion year has begun - and it's time for District Governor visitations to the clubs, as well as visitations by Lions to other clubs within in our District. Both are excellent opportunities to get to know your fellow Lions throughout the area. You will find below the dates and times of this year's DG Visitations (subject to change), as well as a link to the PDF of the visitation cards. Please note that some printed copies of the visitation cards WILL be available at our **District**Meeting on August 19 (have you signed up yet???).

Club Visitation is especially exciting right now as we have added three more clubs to our District over the summer. With the closing of MD L-1, clubs within that District have been absorbed into other Districts in the area. The three clubs that are now part of District 4-A3 are **Castaic** (placed in Region N-Zone 5), **Los Angeles Mid-Valley** (placed in Region N-Zone 6), and **Palmdale** (placed in Region N-Zone 6).

If you have any questions or have difficulty with printing the visitation cards, please reply to this email!!

WASHING FEET IN THE TOILET

Hello Lions, Leos and fellow humanitarians,

Welcome to a new Lion year! I am so excited to begin my role as chairperson of LCIF and look forward to working together in service this year.

Last year, I had the opportunity to travel and see many projects you are leading with support from LCIF. The work we are doing together is so inspiring. I wish every single Lion and Leo could see first-hand what we can do because of generous donations to LCIF.

I know Lions will implement impactful grant projects and initiatives with LCIF this year, and I hope to have the opportunity to visit with many of you as we continue to serve together.

Make a great day,

Brian E. Sheehan Chairperson, Lions Clubs International Foundation

2023 Annual Don & Doña Honors Award Presentation Barbecue Event

Pleasant Valley Historical Society

The Pleasant Valley Historical Society is honoring two of our Lions members! Lion Lloyd Christie and Lion Russ White will be honored as Camarillo Dons on Saturday, September 16, 2023,

beginning at 1 p.m. in the Camarillo Community Center (1605 E Burnley St) Every year the PVHS honors individuals who have made an impact within the community. The Camarillo-Somis

Pleasant Valley Lions Club has a long history of such individuals, past and present, that have received the honorary title of Camarillo Don or Donas.

I will have the honor of cooking the meal for their installation as Dons, and I encourage all of you to represent these two awesome Lions and make your reservations for Saturday, September 16. Please, wear red to show your support for Lloyd and Russ.

Reservations can be made at:

Sep 21 – 23, 2023 USA/Canada Lions Leadership Forum

Lions and LEOs.
Although I have been a Lion since
1999, I am always amazed at the
creativity, dedication and
enthusiasm Lions bring when they
gather to plan a service,
leadership or membership
event. The Reno Forum is no
exception. The Planning
Committee met in Reno from
October 16-20, 2022.

Our first step was to get acquainted. Although Honorary Chair Vice President Or. Patti Hill and I knew everyone on the

team, not all the Lions had previously met. Several had met via zoom, but not in person. Lions on this committee come from both the United States and Canada. Taking a few minutes to develop that level of trust to bring the Forum to life was important. The responsibilities of each committee were reviewed. Then the group did an interactive activity that stressed the communication needed among committees to organize a meaningful learning event.

On day two, the Host Committee, led by Lion PDG Linda Wagner-Griffen, joined the Planning Committee. More details were defined. The Host Committee is the "Boots on the Ground" for any Forum. They are already working on their tasks and organizing volunteers. To host a Forum requires 400 plus volunteers. Since no one wants to work the entire Forum, the more volunteers available, the more chance there is for everyone to have some Forum time and volunteer time. If you would like to volunteer contact Manpower Coordinator, PCC Don Gall at dongali95336@gmail.com.

On our third day of meetings, each committee further clarified needs and ideas. By the end of the day, a lion with a bit of vision or imagination could see that the Reno Forum promises to bring new ideas, innovation and opportunities for attendees. If you are not registered yet, now is the time to get that done! Go to www.lionsforum.org

We want to see you in Reno! Up and Away with Leadership
