## Club Notes

PDG Jeff Roundy installed our new slate of Officers and Board for 2022-23; they are shown at left. As you can see, our president, 1st VP and immediate past president remain unchanged so they all got extra time to serve in these positions. You will also notice that Bruce Jochums is listed as our 3rd VP so he is dual hatted (but still only gets one vote). It is great to see Bruce back on the board and active in lions. Past President Bruce gave out lots of awards at the installation ceremony. They are all listed in the bulletin but the highlight was his selection of **Lion of the Year Kerry Forsythe** — well deserved Lion Kerry.

The following page describes **Fair Parking** and seeks your help with our largest fundraiser of the year. Lion Bill Schulze is awaiting your email with your consent to help sell tickets. **WE NEED YOU** is a very appropriate slogan for this event. It is an easy but very rewarding event so make an effort to spend a little or a lot of time working Fair Parking. **CONTACT BILL NOW!!!**

PP Mike Nunez organized a barbeque for the City of Hope's governing board meeting and cooked our traditional Santa Maria style dinner with appetizers for 80 with just three helpers including Lions Jan and Kerry and Anthony Nunez. We made some charity money but more importantly the governing board was extremely satisfied with Pleasant Valley Lions; Mike put our club on their map!

PP Richard Baker and his team selected 3 scholarship winners and they were all invited, with their families to a regular meeting to get their awards. It was great to see the winners who were all from Camarillo High and introduce them to the club. Let's hope that this is the start of a new tradition.

Four lions participated in the Bumblebee golf tournament supporting childhood cancer. PP George has a little story to tell inside the bulletin.

After a long Covid-19 delay PP Lion Tom Blattel's memorial service finally happened at the O club with many red shirts in attendance; Tom was a great Lion.

PV Lions is officially an **LCIF Model Club** this year. We are the only club in the district to receive this distinction. In addition the board approved donations over the next 3 years to become a **Visionary Model Club**. This actually requires less funds than we normally donate each year to LCIF..

Finally, it is a new year and President Mike is stressing membership and challenging each member to bring in a new lion recruit. See Mike's offer inside.

**THEY ARE COMING!!!!!!  
THOUSANDS OF CARS WILL BE VISITING THE  
VENTURA FAIRGROUND BETWEEN  
AUGUST 3RD AND AUGUST 14.**

**WE NEED TO STAFF 480 POSITIONS DURING THOSE 12 DAYS.**

**WE NEED YOU**

Fair parking is the largest fundraiser of the year for Pleasant Valley Lions and for many other clubs in our region. This is the least taxing and most financially rewarding event for our club and our charities. There are three daily shifts including morning (9-1), afternoon (1-5) and evening (5-9) and you only spend 30 minutes each hour selling tickets, then you get to enjoy the wonderful food and drinks provided while meeting friends in our tent area. There is no smoke from a barbeque, no speed cooking, making and selling burgers, dogs, corn and tri-tip sandwiches and definitely no heavy lifting other than getting up from your seat to sell. All you have to do is meet and greet customers, collect some cash, provide a ticket and enjoy gourmet sandwiches.

We require 10-12 lions for each shift plus 2 cashiers for the 12 days of the fair — that's a lot of people.

Lion Bill Schulze is trying to fill as many spots from our club before opening it up to other clubs early in July so **Please contact Lion Bill ASAP** to reserve your spots in the lineup. Hope to see you there.

## 6 June 1944 - D-Day

During World War II (1939-1945), the Battle of Normandy, which lasted from June 1944 to August 1944, resulted in the Allied liberation of Western Europe from Nazi Germany's control. Codenamed Operation Overlord, the battle began on June 6, 1944, also known as D-Day, when some 156,000 American, British and Canadian forces landed on five beaches along a 50-mile stretch of the heavily fortified coast of France's Normandy region.

The invasion was one of the largest amphibious military assaults in history and required extensive planning. Prior to D-Day, the Allies conducted a large-scale deception campaign designed to mislead the Germans about the intended invasion target. By late August 1944, all of northern France had been liberated, and by the following spring the Allies had defeated the Germans. The Normandy landings have been called the beginning of the end of war in Europe.

# 10 June - Farmers Market

Four PV Lions staffed the Farmers Market booth; they included PP's White, Knittle and Taylor and 1st VP Martinez. In addition we had visits from President Mike and Lions Goldberg and Smith who brought along a large bag of eye glasses. We collected lots of eye glasses and some batteries and had promises from many to drop off lots of stuff at the Market next week to save for our next visit.

## Special Board Meeting

The meeting started a little early with a special board meeting and we had a nice turnout. We voted on and approved a donation of \$1130 to LCIF to raise our total donation from 2017 to \$28000 (\$500 per regular member) to become a **Model Club** this year and will be counted towards Campaign 100. Next step is Visionary Level (\$750 per regular member) but that will be discussed at the board meeting.

## Regular Meeting

The meeting started with a very interesting talk by two members from the Camarillo Disaster Assistance Response Team (DART). If we add President Mike Morgan to this team we had three DART members in attendance.

From left to right we have member S. Hayutn and Captain Simhan Mandyam who leads the Camarillo DART team. They are always looking for members and provided application forms so you can sign up if you want to participate. DART members must undergo 80 hours of core training within one year of joining. I'm sure that our president can provide more details.

**D.A.R.T.**  
Disaster

Response  
Team

### *MISSION STATEMENT*

To respond in support of the City of Camarillo and the County of Ventura, under the direction of local law enforcement, in times of general need, emergency, and declared disaster.

### *BACKGROUND*

In October 1989, organized and trained citizens assisted the communities that were struck by the Loma Prieta earthquake. Their efforts were recognized and greatly appreciated by emergency services professionals and the citizens of the communities they served.

The City of Camarillo recognized the importance of having a citizen's response group that could be activated to assist emergency service workers in the event of disaster or large-scale emergency. In March of 1990, by City Council resolution, the Camarillo Disaster Assistance Response Team (DART) was formed.

## 14 June - Regular Meeting 2/4

### PV Scholarship Winners

Pleasant Valley Lions Scholarships are made possible by or many fund raising projects. We are able to offer scholarships to many students living in the Camarillo/Somis Area. Past President Baker leads the scholarship committee comprised of Lions Anderson, Christie, Clarke, Jan Nunez, Goldberg

and Graham. Over 21 years we have given \$95,500 in scholarships to 63 recipients. This year through your generosity we were able to provide three scholarships to students from Camarillo High School valued at \$3000, \$2000 and \$1500 for a total \$6500 in scholarships.

From left to right the winners were Lilah McElhanon (\$3000), Alicia Armenta (\$2000) and Michelle Ramos-Bautista (\$1500). In order, they plan on majoring in Environmental Occupational Health, Cognitive Science and Biology. We wish them lots of luck in their studies but expect that luck won't have a lot to do with their success.

This was the first time that scholarship winners were invited to a Lions meeting with their parents to receive the awards and to have dinner. The club members overwhelmingly approved of this new method so it will continue in the future.

# 14 June - Regular Meeting 3/4

The meeting was well attended with an additional 12 scholarship winners and family, two speakers and a potential new member brought in by Pres. Mike.

It was great to see PP Debar-  
das back and he will go off  
MAL starting July. Lion Walt  
also showed up to receive his  
15 year lion pin although he  
needs to stop sucking lemons  
before showing up to the  
meeting. Lion Paul Clementi  
also came and received his 40  
year pin. He had some health  
issues but now is back.

We had a double dipper Lion Erwin  
on the 50/50 along with PP Baker  
who got his cash from Sheri who  
made the trip to the table. Tail Twis-  
ter Bellman won then promptly lost  
the bean pot.

## Tail Twisting

The admin account made out well with tail twister Bellman making the rounds. Lion Wetter continues to spend money honoring his volleyball All-American grandson. Lion Artie is a third time grandpa and Lion Ted also has one more great grandchild. Lion Bill anteed up some not so happy bucks after his granddaughter totaled her car but fortunately not herself. She probably needed a new car anyway, right Bill. Lion Wim put some money in the pot to celebrate his cruising fun. Lion Ken paid to celebrate his wife Shirley's recovery from an illness; we wish her well. Bulletin Bob paid up because he felt very old after watching his 12 yr old grandson solve 6 different Rubick Cubes in seconds. Grandson commented that you just have to understand the algorithms appropriate to each cube — Right!!

## Dinner

Dinner was nice and a little different with some pasta salad to go with tri-tip and chicken and a succotash dish brought in by Lion Bob Larson. Who knew that Marines could cook? PP Mike is shown thanking the cooking crew of Lions Kerry, Jan, Bill C. Chet, Gino. Bob L. and Anthony.

Two of our scholarship winners certainly enjoyed their meal.

## 14 June - Flag Day

**Flag Day** is a celebration of the American flag that occurs each year on the anniversary of the flag's official adoption, June 14.

Copyright 1917, The T. D. M. Co., Red Oak, Iowa, U. S. A.

393 THE BIRTH OF OLD GLORY

From Painting by Moran

What we know fondly as the “Stars and Stripes” was adopted by the Continental Congress as the official American flag on June 14, 1777, in the midst of the Revolutionary War. Colonial troops fought under many different flags with various symbols—rattlesnakes, pine trees, and eagles—and slogans—“Don’t Tread on Me,” “Liberty or Death,” and “Conquer or Die,” to name a few.

The Declaration of Independence made the adoption of an American flag necessary. Previously, each colony or special interest had its own flag.

On the 14th of June, Congress made the following resolution: “The flag of the United States shall be thirteen stripes, alternate red and white, with a union of thirteen stars of white on a blue field ...” Official announcement of the new flag was not made until Sept. 3, 1777.

# 18 June - Barbeque for City of Hope

Thanks to PP's Mike and Jan (PP of Simi-Moorpark Lions), Lion Kerry and Anthony for doing a Santa Maria Style Barbeque at a local ranch for the City of Hope Governing Board meeting. This was a paid barbeque so we made as little cash for the charity account. It was originally planned for last year but was delayed by Covid-19.

The BBQ was well received by the Governing Board members. We served the normal tri-tip, chicken, chili, salad, garlic bread as well as appetizers including sausage links, cheese trays and freshly made guacamole and chips — wonder where the guacamole came from?? The photos at right seem to show enough food for many more than 80 but who's counting. Sure looks good!!

The only question that arises from the photos is: where is Terry? Obviously Terry doesn't do selfies and I applaud him for that. Music and ice cream plus our barbeque, what more could they need?

The two gentlemen with Mike are Robert Marx, chairmen of the board of governors and Bob Gay, avocado grower and member of the City of Hope board of governors. Turns out that Robert Marx is brother to Groucho Marx; wonder if Mike said the magic word and won \$100?? — showing my age!

# CELEBRATION OF LIFE THOMAS 'TOM' BLATTEL

*December 22, 1937 — January 13, 2021*

On June 18 2022 Lion Tom Blattel's life was celebrated by friends and family at the Freedom Center. The O Club was packed and about 15 PV Lions attended.

Tom's boys made a video for the occasion and there were lots of memorabilia items that Tom collected over his years of Lions and travel.

Tom was president for 1 1/2 terms and over the many years of his lion tenure collected 5 long tails and was active at the district level. Collecting a single long tail signifying that you visited every club in the district is a challenge so Tom went above and beyond to interact with everyone in the district. He is missed.

# Bumblebee Golf Tournament

## Just Another Par 5

Lions Walt Brand, Neal McNutt, Mike Nunez and I enjoyed a golf tourney at Sunset Hills Country Club to help raise money for the Bumblebee Foundation, an organization that helps families with children suffering from cancer. We played extremely well, of course, paring the important holes. An example of that play was the Par 5, 534 yard No. 3 hole. It bends to the right after about 300 yards, which is where my drive landed at the edge of the fairway. We still covered the 234 remaining yards in two and putted for another two to par the hole. It made for a very nice day. If I left anything out regarding this round, ask Mike Nunez who was the big winner.

*Lion George Graham*

**I JUST GOT A FULL

## 21 June - Board Meeting

This was the last board meeting of the year and it was well attended with the addition of two new board members for 2022-23 and Lion Lloyd to keep us on track.

Incoming 1st Vice DG Rich commended the club for becoming an LCIF Model Club this year. We are the only club

in the district to receive that distinction. It required a donation of \$28,000 by 30 June 2022 and we achieved that goal with a final donation of \$1110. The next step is to become a Visionary Model Club. This requires a total donation of \$42,000 to LCIF, which includes the \$28,000 already donated. PV typically donates \$5000 to LCIF each year so it is well within our reach to become a Visionary Model Club. The board approved a donation of \$14,000 more spread over the next 3 yrs. to reach our goal of \$42,000. Congratulations PV Lions.

PP Bruce Jochums was approved as our 3rd VP for 2022-23; welcome back Bruce.

Fair Parking: This occurs from Aug. 3 to Aug 14 2022 and Lion Bill Schulze is having difficulty filling spots from our club. We need volunteers to fill the 36 shifts at fair parking with each shift requiring 10-11 lions plus 2 cashiers.

Installation of officers Celebration: Hope to have 100 at the installation and it is on track.

### GLOBAL CAUSES:

- Diabetes (Victor): A walk for diabetes is planned for 5 November in Port Hueneme.

Into as follows: *“My name is Lisa Morris and I am a member of the Ventura Downtown Lions Club. I am reaching out to you and your club to see if you would be interested in having a team for the Relay For Life Ventura County. I am challenging all Ventura County Lions Clubs to form a team and fundraise. I know everyone has been effected by CANCER. Myself was diagnosed at age 22 with Ovarian Cancer and just this past year my mom was diagnosed with Breast Cancer. I am one of the Event Leads for this years in person Relay For Life. We will be walking around the Oxnard High School track on September 17. It will be from 10am-midnight. Hope to see you there”.*

## Thank you Camarillo-Somis from Many Mansions

Your donation will make a difference for resident kids who go to Camp Many Mansions this summer.

Kids are excited to having fun with their friends while doing arts and crafts, playing pool games, and going on field trips to Underwood Family Farms, the beach, Santa Barbara Zoo and more. Each week has a theme including Dinosaurs, Under the Sea, and Around the World. Our Children's Services team weaves together fun activities with an educational component for each theme.

Equally important, the kids get a chance to develop their social skills, create new friendships and take on leadership roles.

Because of donors like you, we are able to provide a special summer for the kids that live at Many Mansions.

# 25 June - Conejo Valley Installation 2022-23

As you might recall Pleasant Valley Lions sponsored Conejo Valley Lions several years and two of our lions, Lloyd Christie and Jerry Ahara served as guiding lions to start them off on the right track. It worked and they have grown into an active club and one that often helps us with our large fundraisers.

Incoming 1st Vice DG Rich Cervantes and Lloyd Christie attended their installation performed by PDG Jeff Roundy. We will see PDG Roundy in a couple of days doing our club's installation.

Lion Rich is shown with incoming Conejo Valley President Kathy Wagner.

**SERVING WITH PRIDE SINCE 1945**

**INSTALLATION OF  
2022-2023 OFFICERS**

**Tuesday, June 28, 2022**

**6:00 p.m.**

**At the "O" Club Freedom Park**

# Installation of Officers and Board 2022-23 - 2/7

The key players in the installation are all shown at top. PP Chet Price was the master of ceremonies and PDG Jeff Roundy installed the new officers and board. His entrance at top right reminded me of "Here's Johnny" from late night. He sure knows how to make an entrance and how to do an installation. He did a great job installing and keeping everyone engaged in the event. Chet always does a nice job and should have been a stand up comic; he probably was in a past life, PP Bruce (and our new 3rd VP) brought IPP Julianne (Ambers Light) to assist with all the awards because PP Ellen was actually working in DC. Pres. Mike was patiently waiting his official induction as club president - table flowers by Donna Morgan

We had a great meal thanks to Bruce, Chet, Mike and Jan and of course Ottavios. Julianne also found her way into the serving line but we had to wait till the very end to enjoy the cakes.

## 2021-2022 Awards

The top award that a club president gives each year is **Lion of the Year** and this year it went to Lion Kerry Forsythe. Unfortunately Kerry couldn't attend so I included a photo of what he does best and does often. Kerry never says no when asked to help so it was easy to find a photo for the bulletin. This was very well deserved — *congratulations Kerry*.

Seven Melvin Jones and three Kay Fukushima Fellow awards were given out. Bill and Doug were not in attendance but I have pictures!! PP Bruce stressed the work at Underwoods as the reason for the Melvin Jones awards. Lion Lloyds was progressive Kay Fukushima and he couldn't understand why he got another but anyone who knows Lloyd knows that he is always "there" and is our unofficial club historian. Pres. Mike truly stepped up to the plate by assuming the club president's role 6 months earlier than expected and is very active in bring new members. PP John is our LCI service chair, corn cooker extraordinaire, coordinates all eye glass collections and has stepped back into the club president's rotation; all were well deserved.

PDG Roundy installed the officers and board for Pleasant Valley Lions for the 2022-23 year. As mentioned earlier he did a terrific job keeping everyone engaged in the process.

# Installation of Officers and Board 2022-23 - 7/7

Lion Hillary showed up for a short time before he had to go to a dance recital (not his) and took some great photos so here they are. Lots of happy folks!!

# Installation of Officers and Board 2022-23 - 6/7

After nearly 6 months as acting president it is finally official and I am proud to serve as Pleasant Valley Lions President for 2022-2033. The officers and board you selected have broad experience and will do their best to maintain Big Red One as a premier club in District 4A3. Also, it is great to see some newer members step up to the board and it bodes well for the future of the club. Speaking of the future my intent this year is to grow the club under the leadership of membership chair Mike Nunez with teammates Goldberg and Larson along with everyone in the club. I challenge all of you to bring in a new lion recruit this year. **I will buy dinner at the restaurant of your choice for the member who brings in the most new members this year!!!** Finally, it is apparent that we have ample fund raising projects to support lion charities but I challenge you to come up with ideas for new service projects to benefit our community and increase the visibility of the Pleasant Valley Lions.

Thank You

*Mike Morgan*

# Protect Your Eyes on this 4th of July

## O Say, Can You See... Protect Your Eyes This 4th of July

Do you already have your 4th of July celebrations planned? In addition to parades, picnics and backyard barbeques, fireworks tend to be on the must-do list for many of us as we celebrate the Nation's birthday. Most would agree that waving a sparkler in the evening air is an iconic part of the holiday. As you dive into your holiday celebrations, it's important to know that eye injuries are quite common this time of year. We gathered eye safety tips shared by the American Academy of Ophthalmology.

Here are a few do's and don'ts to keep your eyes safe this holiday!

- Leave it to professionals, enjoy a local fireworks show
- Wear safety glasses when handling home fireworks
- Only light fireworks at a safe distance from others
- Keep water nearby to extinguish fireworks
- Observe local laws

- Don't touch unexploded fireworks
- Do not let children use fireworks without supervision
- Do not lean over fireworks when lighting or using them
- Never light fireworks inside containers
- Don't run or horseplay with fireworks

## What to Do If Your Eye is Injured by Fireworks

- Seek medical help immediately
- Avoid rubbing your eyes
- Do not rinse your eyes
- Do not apply pressure
- If something is stuck in your eye, do not attempt to remove it
- Do not use ointments or take blood-thinning meds like aspirin or ibuprofen unless recommended by a doctor

## Horoscope: Cancer - Leo

- Chaucerians will never excel in sports because they have to rest for fifteen minutes every time you breathe. You do not mind, since you plan to conduct your career from the comfort of your own bed.
- You maintain your questionable health through a steady diet of Ho-Ho's and beer. You also imbibe a great deal of Pepto-Bismol in order to confuse your numerous ulcers.
- People walk on you often. Actually, not often - all the time. If you think someone is screwing you, you're probably right. The most entertaining thing about this is that you like it.
- Leos will grab attention in any way you possibly can. Self-immolation is not out of the question. You like to kiss mirrors a lot. Genghis Khan was a Leo, and so is Barney the Dinosaur.
- People still love Lucy, but less because she was a Leo. Leos will interrupt conversation to talk, and they will place themselves bodily in the way of someone who is trying to leave before the Leo is finished saying what he or she needs to say.
- All Leos want parades on their birthdays. Leos never marry because no one is good enough

## GREAT TRUTHS THAT LITTLE CHILDREN HAVE LEARNED:

- 1) No matter how hard you try, you can't baptize cats..
- 2) When your Mom is mad at your Dad, don't let her brush your hair.
- 3) If your sister hits you, don't hit her back. They always Catch the second person.
- 4) Never ask your 3-year old brother to hold a tomato.
- 5) You can't trust dogs to watch your food..
- 6) Don't sneeze when someone is cutting your hair.
- 7) Never hold a Dust-Buster and a cat at the same time.
- 8) You can't hide a piece of broccoli in a glass of milk.
- 9) Don't wear polka-dot underwear under white shorts.
- 10)The best place to be when you're sad is Grandma's lap.

## GREAT TRUTHS THAT ADULTS HAVE LEARNED:

- 1) Raising teenagers is like nailing Jello to a tree.
- 2) Wrinkles don't hurt.
- 3) Families are like fudge... mostly sweet, with a few nuts.
- 4) Today's mighty oak is just yesterday's nut that held its ground.
- 5) Laughing is good exercise. It's like jogging on the inside.
- 6) Middle age is when you choose your cereal for the fiber, not the toy.

# TALES FROM THE LIONS DEN

The invention of eyeglasses is nothing short of spectacular! Eyeglasses were first invented in the 13th century. They have long improved our vision and allowed us to live happier and more productive lives. Celebrate National Eyewear Day through the accomplishments of California Lions Friends in Sight. People like you enable less fortunate men, women, and children of all ages to see clearly and achieve their full potential. Since 2010, together with Lions Club International and local Lions Clubs, we've made tomorrow look better for **102, 851** people in need throughout Southern California and Northern Mexico!

Help keep your vision strong! Early treatment is critically important to prevent some common eye diseases from causing permanent vision loss or blindness:

- **Cataracts** (lens clouding), the most common cause of vision loss in the United States
- **Diabetic retinopathy** (damage to blood vessels in the back of the eye) is the leading cause of blindness in adults in the United States.
- **Glaucoma** (a group of diseases that damages the optic nerve)
- **Macular degeneration** as we age (gradual breakdown of light-sensitive tissue in the eye)

No one should neglect routine eye care and vision correction yet many people do for financial reasons. Purchasing prescription eyeglasses is costly, and it becomes even more difficult if you are on a fixed income or do not have vision insurance coverage. The good news is that we can give the gift of sight to those in need thanks to the generosity of our eyeglasses donors and volunteers. Thank you for joining us in combating vision impairment and blindness so that others can see their loved ones more clearly.

## PRESIDENT'S MESSAGE

### Service from the heart with International President, Douglas X. Alexander

#### Dear Lion,

Service is more than something we do. It's who we are. And this year, I have been astounded by the service and the heart you have given to your communities. Through the countless challenges we have faced, you have brought the triumph of hope to millions in need.

I am so proud to have been a part of this extraordinary year of courage, kindness and generosity. Our service has reached beyond borders and touched the world. As we move forward, I want you to remember the unlimited possibilities that come from serving from the heart.

Thank you for being the steadfast heartbeat of this great association, and the goodness that sustains our world. It has been my greatest joy and the honor of my life to serve you.

Yours in service,

**Douglas X. Alexander**  
**International President**

#### Giving Greater Service in Our Greatest Time of Need

In times of natural disaster, Lions are often the first to arrive—and the last to leave. No one knows that better than the Mayfield Lions of Kentucky whose community was devastated by the deadliest tornado in state history.

Watch "[LCIF: Providing Relief After Tornado Disaster in Kentucky](#)" to see how the Mayfield Lions are working to comfort and restore their community with the help of Lions across the United States and the support of LCIF.

Remember, every gift you give to LCIF goes toward supporting service like this in your community and around the world. We are more than **95%** of the way toward achieving our Campaign 100 goal. Help us make history and [make a donation](#) today!

## From LCIF Chairperson Dr. Jung-Yul Choi

Dear Fellow Humanitarian,

It has been my honor to serve as Chairperson of Lions Clubs International Foundation this year. While we continued to face challenges throughout the world, including the humanitarian crisis in Ukraine and the COVID-19 pandemic, we remained resilient and continued our important work. I have had the pleasure of hearing from many of you about the things you have accomplished this year because of LCIF. The stories of your service, empowered by grant funding from LCIF, are inspiring. Although the beneficiaries of your service may never know of your kindness, the world is a better place because of you. I look forward to serving alongside you in the years to come. I ask you to join me in continued support of LCIF so we can build on the successes of Campaign 100. Our important work serves our world in need. Because there is nothing we cannot achieve when we work together.

*A message from:*

**Jerome Thompson**

**Past International Director,  
GAT Constitutional Area 1 Leader**

**Dear Lion,**

Can you believe that this year is coming to an end quickly? Because of your leadership, collectively the Lions of Constitutional Area 1 (USA and Affiliate Countries) have set new records for success.

As of May 31, 2022, we have achieved the following results:

Service – 28,117,828 lives impacted with 54% of the clubs reporting. 30 million lives impacted can be reached by June 30, 2022. Please make sure that your club has reported at least one service project.

Membership – Membership growth of 1390, with 71 new clubs chartered. The Entrance Fee Waiver expires on June 30, 2022. Please add all new members before June 30 to take advantage of the waiver. New Club Charters should be completed by June 20 to ensure that the club will be chartered this fiscal year.

Leadership - Reported on the new Leadership Training portal – 537 Training Events with 13,422 Lions in attendance. I know that many training events were not reported.

LCIF – Campaign 100 – Donations are up 54% over this time last year. We have contributed almost \$10,000,000.00. How much can we give? Do you think we could give another \$1,000,000.00 in the month of June?

Whatever we do in the closing weeks of the year helps to build the momentum for a better 2022-23.

I want to personally thank you for allowing me to serve as the Global Action Team Leader, your success stories, and your encouragement. Together, we are better.

For a long time nobody got as far as page 34 except for Lion Tom D who noted that he actually read page 34. After that finding I decided that it was no longer necessary to have a page 34 to check on whether anyone actually got this far in the bulletin. However, lion Tom told me at the installation that he missed this page so here it is back again.

### Man Accused of Killing Lawyer Receives a New Attorney

By Scott Sawicki

Charged in the murder of his former attorney, Miguel Trujillo has been appointed another attorney from the public defender's office.

Judy Reed, from the Public Defender's Department in Albuquerque, had no comment, saying that she had just been given the case with no time to review it.

Trujillo had recently rejected his previous court-appointed attorney of six months, Marc Rubin.

An attorney from out of state was hired because most of the attorneys working for the Public Defender's Department out of Santa Fe leave during the summer. The man Trujillo is accused of murdering in a drive-by shooting.

Vigil was murdered Aug. 23, 1999 a few blocks from his South Street office while walking to District Court for a hearing.

A five-pass, early model Ford pickup was spotted in the area during Trujillo's drive home.

Assistant District Attorney Richard Salazar said the man was waiting for an attorney to represent Trujillo to be found in

All Five District Court judges were disqualified from the hearing, with Judge Stephen Miller involved. The Supreme Court appointed Second District Court Judge Neil Ouellette from Albuquerque to oversee the hearing.

Trujillo is accused of an open charge of murder, two counts of covering a witness or witness, one charge of tampering with evidence, and one charge of being a felon in possession of a firearm.

Trujillo paid for his defense. He faces up to 99 years in prison.
